Grant offer: Clean Freight Pilot

Dear Alex,

I am pleased to confirm that the Rivermouth Innovation Fund offers Northwind Logistics Ltd a grant of £240,000 (two hundred and forty thousand pounds) towards the eligible costs of the Clean Freight Pilot: a six-month trial of two electric heavy goods vehicles on regional routes, supported by route-optimisation software.

Project period: 1 January 2026 to 30 June 2026. Eligible costs must be incurred within the project period and in line with the approved budget in Schedule 1.

Payment: the full grant will be paid in advance within ten working days of us receiving your signed acceptance. If the project is abandoned, or funds are not used for eligible costs, the Fund may recover all or part of the grant (Schedule 2).

Reporting: a progress report at the end of March 2026 and a final report with a statement of eligible costs by 31 July 2026.

Please sign and return the acceptance below. We look forward to working with you.

Dr Helen Okoye
Programme Director, Rivermouth Innovation Fund
